

Australian Tax Compliance Timeline

Outlined below is a timeline of the key events (and corresponding dates) in respect of the Australian tax return compliance process.

Date	Event
30 June	End of the Australian financial year.
Early July	Notification of Australian OzEorganiser website details to collect tax information.
By 16 September	Return completed organiser to Deloitte*.
31 October	Lodgment of relevant forms to place individual on Deloitte lodgment program to gain extended filing deadline.
Within 25 working days of submission of complete information to Deloitte	Australian Income Tax Returns will be forwarded to assignees for signature together with tax equalisation calculations (where applicable).
Upon receipt of signed return	Australian income tax return lodged electronically with the Australian Taxation Office ("ATO").
Approximately 2 weeks after lodgment	Income tax assessment notice issues from the ATO.
Approximately 3 weeks after notice of assessment issues	Balance of tax due and payable to the ATO.

* All delivery dates are dependent upon the date that completed return information is received
